SUBJECT: PROGRESS REPORT

25X1

1. The figures for participation in the Summer Area Programs are as follows:

SOVIET	Elementary	-		25X1
	Advanced	-		
FAR EAST	Elementary	-		
	Advanced	-		
SOUTH EAST ASIA	Elementary	-		
	Advanced	-		

In addition, FDD has the following people if classes can be held in

SOVIET	Elementary	-		25X1
	Advanced	-		
FAR EAST	Elementary	-		25X1
	Advanced	-		

It seems desirable, therefore, to set up an Advanced and Elementary section in the Soviet and Far Eastern Area in the Recreation and Services Building, and one section in the South East Asian area in the Recreation and Services Building unless the instructors themselves wish to divide the class. In we should provide an Advanced and Elementary section for the Soviet Area and one section for the Far Eastern Area. 25X1

2. It is expected that there will be late registrations and provision is being made for these in space requests. It is also expected that there will be a number of auditors. We expect to circulate the list of lecture topics for two weeks to facilitate visits on topics of particular interest. The registrar has agreed to handle this work.

3. Final evaluations of Professional Trainees in Group III were prepared.
